**Staff Report**

**Date:** June 13, 2019

**To:** Mayor Kuhl and Council Members

**From:** Heidi Scoble, Planning and Building Director

**Subject:** Execution of 2-Year Master Consultant Services Agreement with CSG Consultants, Inc. for Building Plan Review and Inspection Services.

---

**Recommendation:**

Approve and authorize Town Manager to execute a 2-Year Master Consultant Services Agreement with CSG Consultants, Inc. for Building Plan Review and Inspection Services.

**Background and discussion:**

The Town of Ross has been contracting for building inspection, building plan review, and building official services with Coastland Civil Engineering since 2013. To improve responsiveness to the Ross residents and enhance the effectiveness and efficiency of services delivery, the Town has hired a new Senior Building Inspector. Since hiring the new Senior Building Inspector, the delivery of services to the residents and business owners has been enhanced by providing greater availability for inspections, providing more opportunities to have questions addressed at the public counter, and providing more opportunities for non-structural "in-house" building permit plan reviews.

In the spirit of providing more enhanced delivery of services related to plan check review and building department support staff when necessary (e.g., vacations and sick leave), staff elicited a request for proposals from companies that provide building plan check review and support staff services. The Town received five proposals from CSG Consultants, Inc., EsGil (A SAFEbuilt Company), 4LEAF, Coastland Civil Engineering, and Phillips/Seabrook Associates. After review of the proposals, it was determined that CSG Consultants would provide the best and most comprehensive array of services, cost savings, more expeditious building plan review turn-around times, and experienced staff support availability. CSG Consultants is a local Bay Area company that has experience working in Marin for the City of Sausalito and the City of Mill Valley. CSG Consultants also has experience working for smaller residential communities that have

special and unique “small-town” character, such as the Town of Hillsborough and the Town of Woodside.

Attached is the Two-year Consultant Services Agreement between CSG Consultants and the Town.

**Fiscal, resource and timeline impacts:**

Consistent with the Fiscal Year 2019-2020 budget, the expenditures associated with the scope of services for this agreement are estimated to be \$188,000 as currently budgeted under account numbers 6435-35 (Building Plan Review) and 6110-35 (Building Inspections). CSG Consultants is offering lower plan review costs than coastland along with shorter turn-around times for plan reviews. The cost savings associated with the building plan review will be passed on to those utilizing the plan check services.
