Dear Ross Town Council,

I am writing in support of Councilmember Salter's service on the MCE Board. I serve alongside him on the MCE Board and value his expertise and insight, particularly on financial matters. He is a highly engaged board member and always comes to the meetings well prepared with insightful questions and comments. Councilmember Salter brings a deep understanding of finance and risk management, two disciplines that are critical to the operations of a public utility that contracts out for almost 100% of its energy supply. I appreciate Mr. Salter's willingness to delve deeper into the issues and push for reform and greater accountability where appropriate. Above all, Salter is a strong advocate for our customers by championing lower electricity rates that still meet our green energy mission.

Councilmember Salter is a strong voice for the Town of Ross on the MCE Board and diligently fulfills his duties as a board member. I see no failure of care or duty, or any misconduct, that warrants his removal as Ross Town Council's representative to the MCE Board.

Sincerely,

Stephanie Andre
