Subject: [EXTERNAL] Support for a Comprehensive Redevelopment of the Ross Town Field

Dear Mayor, Councilmembers, and Town Staff,

As a Ross resident and parent of three school aged kids, I am writing to express my full support for the Town of Ross undertaking a major, long-term redevelopment of the Ross Town Field. My family relies on this field not only as a place to play, but as a central gathering space that helps anchor our community.

A revitalized field will create safer play, improved drainage and usability, and a first-class multipurpose asset that benefits the entire Ross community. I respectfully ask the Council to vote to move forward with a bold, comprehensive field redevelopment at tonight's upcoming meeting.

Thank you for your leadership and your continued support of families in Ross.

Sincerely,
Carly Abbott
