Subject: [EXTERNAL] Ross Aux Support for Ross Field Redevelopment

Dear Mayor, Councilmembers, and Town Staff,

I am writing as a co-president of Ross Auxiliary to express our support of allocating funds to improve Ross Field.

As the organization that hosts many community building events at Ross Field, we are certain that maintaining these fields is deeply beneficial to all of Ross. We are also keenly aware of the ongoing drainage issues that can often make the fields unusable. A revitalized field will offer a more reliable place for recreation, play and gathering.

We respectfully ask the Council to vote to move forward with a bold, comprehensive field redevelopment at the upcoming meeting.

Thank your attention and leadership.

Sincerely,

Madeline Wiginton

Co-President, Ross Auxiliary

PO BOX 979

Ross, CA
