Subject: [EXTERNAL] Please Restore Our Fire Station

Town Council, As a resident of Ross, I would like our fire station restored. One of the reasons I moved to Ross was its excellent emergency service times. Now that the station has closed, we see the results: 11-14 minutes is too long to wait for life-saving care. Please bring our firefighters back to Ross. We need to look to the future and build critical emergency service infrastructure now.

Charlie and I have lived on Norwood Ave for 51+ years. Our four children went to Ross School. After 22 years teaching at Branson, I taught math to advanced 8th graders for 29 years. This town means everything to us and to our family. On our street alone, we'd have witnessed medical emergencies with neighbors-and the first respondents in each case were the fire engines and crew!!
