Subject: [EXTERNAL] Please Restore Our Fire Station

Town Council, As a resident of Ross, I would like our fire station restored. One of the reasons I moved to Ross was its excellent emergency service times. Now that the station has closed, we see the results: 11-14 minutes is too long to wait for life-saving care. Please bring our firefighters back to Ross.

A few years go my daughter attended summer camp at Phoenix Lake and a child in the camp fell on sharp metal protruding from the ground. Thankfully the fire department was first on the scene to tend to the bleeding, injured child until the paramedics later arrived to take him to the hospital for several stitches. Not only would I like to the fire station restored, but I would also like Phoenix Lake included in response times as we move forward because of true emergency incidents like this.

Thank you,
