Subject: [EXTERNAL] Please Restore Our Fire Station

Town Council,

As a resident of Ross, I would like our fire station restored. One of the reasons I moved to Ross was its excellent emergency service times. Now that the station has closed, we see the results: 11-14 minutes is too long to wait for life-saving care. Please bring our firefighters back to Ross. We need to look to the future and build critical emergency service infrastructure now.
