We were among the many Ross residents who attended the January 8th council meeting held at the Marin Art and Garden Center.

The overwhelming support for the Friends of Ross presentation should compel the Town Council to reconsider its June, 2025 vote to close the firehouse. As has been proposed, we enthusiastically encourage the immediate formation of a Working Committee to reconcile/resolve the issues to move forward.

Time is critical here. The longer this debate is prolonged, the greater the risk of cost increases for a project which is clearly in the best long run interests for the residents of Ross.

Respectfully
