Subject: [EXTERNAL] Agenda Item 13 support
Date: Wednesday, July 8, 2026 9:44:54 AM

I am the owner of 19 Oak Ave and support the undergrounding of the utilities. Please clear up the confusion of the counting method. Open space parcels should not be added to the total. It's the lack of fire maintenance of these parcel's that warrant the utilities being undergrounded in our neighborhood.

Thank you.
