Re: Five Council 2008-09 Goals
Date: May 7, 2008

Attached please find suggestions from each Council member of potential goals for the Council to consider as its five 2008-09 Council goals.

General Government Subcommittee members Mayor Pro Tempore Bill Cahill and Council member Diane Durst and I met to attempt to determine five potential Council goals from these suggestions. We developed the following list:

1. Downtown plan.
2. Flood control.
3. Completing fire consolidation/police reorganization.
4. Emergency preparedness.
5. Encourage bicycle and pedestrian opportunities.

The Council should consider any public input on these goals or on additional goals for Council consideration, discuss the above list and then develop a list of five goals for next fiscal year.
