

STATEMENT OF CANDIDATE FOR TOWN OF ROSS, Member, Ross Town Council

CHARLES WILLIAM ("BILL") KIRCHER, JR.

Occupation: Investment Partnership Manager

Education and Qualifications: I am a graduate of Stanford University and Stanford Law School. I am an attorney, with broad-based experience in federal, state, and local government issues and concerns. I also teach Constitutional law at Stanford through its continuing studies program.

I currently serve as the Mayor Pro Tempore of Ross.

After a career as a trial attorney, handling primarily complex business litigation, I now manage an investment partnership. I am a former Assistant United States Attorney (Los Angeles), and previously, I was a legislative aide to a California State Senator and consultant to the California State Senate Health and Welfare Committee.

I believe that my experience as a problem solver, both in government and the private sector, will continue to be helpful in addressing challenges, including disaster preparedness, replacement of our aging town facilities, and other complex issues facing our town.

My wife Valerie and I have three children and have enjoyed living in Ross for the past ten years. I am committed to preserving the character of this unique small town.

It has been my privilege to serve on the Ross Town Council and interact with residents and our dedicated town staff and volunteers. Thank you in advance for your support in the upcoming election.
