

## ROSS TOWN COUNCIL

Name: Mathew Salter

Occupation: Local Business Owner Age: 45

### Education and Qualifications:

Ross is one of the most beautiful towns in America and an incredible place to raise a family. I feel fortunate to both live, work, and raise my children in this special place. My two sons attend the Ross School and our family business, Ross Bridges, is located downtown.

For the past three years, I have served as the Treasurer of RPOA where we have made substantial town improvements- live events (Live on the Common & WinterFest), post office upgrades, holiday lights, among many other projects. I am proud that both membership and funding levels have increased substantially over my tenure.

As we look to the future, change is coming. In order to meet State mandates, Ross must produce 111 new housing units by 2031. We must prepare now. My platform is simple: Improve Infrastructure and Safety - sidewalks, crosswalks, and bike lanes; Revitalize Downtown – bring in exciting new businesses; Cut Red Tape - lower fees, ease development restrictions, and make business easier.

I am confident I have the knowledge and experience to guide our town during this next chapter of growth. I would be honored to serve on the council and respectfully ask for your support.
